2 REMARKS

3 Reconsideration and allowance of the above-identified
4 application in view of the present Amendment are respectfully
5 requested. By this Amendment, the Specification has been amended
6 a second time to meet the comments set out in the Office Action.
7 The Examiner's comments greatly assisted the applicant's attorney
8 undersigned in clarifying some of the questions that had arisen.
9 In a telephone call on or about December 15, 2006, further
10 clarification was provided. The courtesy of the Examiner in
11 accommodating applicant's questions is acknowledged with
12 appreciation.

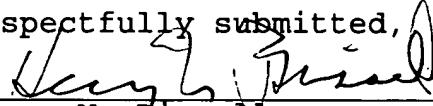

13 Specifically, in the Specification designated paragraphs
14 on pages 7, 8 and 9 have been rewritten with markings to indicate
15 changes. The Claims have been re-listed, again with markings to
16 indicate changes.
